TECHNICAL SUPPORT

Available 7-days a week, 24-hours a day for on-going terminal related support. No matter what time of day you may experience a problem, we're there to help.

CLIENT SERVICES

Available Monday-Friday between the hours of 8am and 6pm for on-going account maintenance. If you need help reading your statement, confirming deposits, or making changes to your account, we're ready to assist you.

CHARGEBACKS

No merchant likes chargebacks! Chargebacks mean fees, research and frustration. We work to make this process easier on you.

Unlike most of our competitors, we don't ACH you for the chargeback and any related fees until research has been completed and a chargeback has been validated. We work to make sure that your money stays with you.

CHECK PROGRAMS

Check Verification will verify that the customer has no outstanding negative checks in the national database.

Check Guarantee will guarantee that you get paid for a check even if it is returned.

Check Conversion will convert a paper transaction into an electronic one...getting you paid quicker.

achXchange™

A multi-function ACH and Check 21 service that allows you to easily accept any customer's check, business or personal, and quickly, electronically, deposit them into your bank account.

achXchange™ operates on any Windows based PC with an internet connection.

GIFT & LOYALTY CARD PROGRAMS

Gift Cards will boost prepaid sales while at the same time generating brand awareness.

Loyalty Cards will reward your customers for their purchases.
