DYLAN BRAUN

Dylan Braun joined TruStone Financial in 2020 with more than five years of experience in nationwide lending, business development and relationship management. He is experienced with many types of financing, including SBA (Small Business Administration), commercial real estate, equipment and construction.

Dylan has a bachelor's degree in Finance from St. Cloud State University's Herberger Business School. He has completed the Principles of Banking Certificate Program from the Independent Community Bankers of America® as well as the Lending Essentials School from the Minnesota Bankers Association. He is a member of the International Franchise Association.

Outside of work, Dylan enjoys golfing, running and spending time at the family cabin.

COMMERCIAL LENDING

Whether you are looking to purchase a new building or refinance an existing one or seeking a 1031 tax exchange into a new asset, TruStone Financial and the commercial lending team are ready to assist.

The credit union has become a leader locally and nationally by financing commercial real estate transactions. Currently, the Commercial Lending team has relationships in nearly 50 states. TruStone's reputation for quality underwriting and servicing has allowed the department to become one of the most well respected commercial lending departments in the credit union industry nationally.
