**How We Calculate Your Balance:** We use a method called “average daily balance (including new purchases)”. See cardholder agreement for complete details.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.

\*Your standard APR may vary and is based on Prime Rate. Your rate is determined by adding a margin to the Prime Rate. The Prime Rate Index used to determine your APR is the rate published in *The Wall Street Journal* quarterly (January, April, July and October) and changes are effective as the first day of your next billing cycle. Current rate as of May 5, 2023. See cardholder agreement for complete details.
