You may use TruStone Financial Federal Credit Union bill paying service, iPay to direct TruStone Financial Federal Credit Union to make payments from your designated checking account to the "Payees" you choose in accordance with this agreement. The terms and conditions of this agreement are in addition to the account agreements, disclosures and other documents in effect from time to time governing your account.

TRANSACTION TYPES AND PROCESSES

Single Payments - A single payment will be processed on the business day (generally Monday through Friday, except certain holidays) that you designate as the payment's processing date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time, which is controlled by the Financial Institution, is currently 2 PM CST.

A single payment submitted after the cut-off time on the designated process date will be processed on the next business day. If you designate a non-business date (generally weekends and certain holidays) as the payment's processing date, the payment will be processed on the first business day following the designated processing date.

Recurring Payments - When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a processing date is calculated for the next occurrence of the payment. If the calculated processing date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

If the recurring payment's "Pay Before" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date prior to the calculated processing date. If the recurring payment's "Pay After" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date after the calculated processing date.

NOTE: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated processing date, then the last calendar day of that month is used as the calculated processing date.

A2A Interbank Transfers-The A2A services allows you to request a transfer of funds from either your eligible TruStone Financial account to a verified account and another Financial or from a verified account at another Financial to your eligible TruStone Financial account. TruStone Financial uses the ACH Network to execute A2A requests, but other methods of transfer may also be used.

The A2A Transfer services are available for funds transfers to and from verified accounts in United States and are made in U.S. dollars only.

TruStone considers accounts at other Financial Institutions to be verified accounts once trial debits and credits to that account have been verified within our Bill Pay System. Verified accounts must have the same ownership as your TruStone Financial Membership associated with your Bill Pay account. In order to verify an account you must enter a valid routing and account number for the other Financial Institution and initiate trial transactions. Once these transactions post to your account at the receiving Financial Institution, it is your responsibility to sign into your Bill Pay account with TruStone Financial and verify the amounts of the trial debits and credits.

Inbound A2A transactions will be credited to your TruStone account within 3 business days of the date of initiation.

SINGLE AND RECURRING TRANSACTIONS

The system will calculate the Estimated Arrival Date of your payment. This is only an estimate, so please allow ample time for your payments to reach your "Payees".

PROCESSING VS DEBITING

The process date is the Business date the payment is finalized and sent to the designated payee. The debit of funds takes places one Business Day prior from a Payment Account.

CANCELLING A TRANSACTION

A bill payment can be changed or cancelled any time prior to the cutoff time on the scheduled processing date.

LIABILITY

You are solely responsible for controlling the safekeeping of and access to your Personal Identification Number (PIN). If you want to terminate another person's authority to use the Bill Pay service, you must notify the Financial Institution and arrange to change your PIN. You will be responsible for any bill payment request you make that contains an error or is a duplicate of another bill payment.

The Financial Institution is not responsible for a bill payment that is not made if you did not properly follow the instructions for making a bill payment. The Financial Institution is not liable for any failure to make a bill payment if you fail to promptly notify the Financial Institution after you learn that you have not received credit from a "Payee" for a bill payment. The Financial Institution is not responsible for your acts or omissions or those of any other person, including, without limitation, any transmission or communications facility, and no such party shall be deemed to be the Financial Institution's agent.

AMENDMENT

The Financial Institution has the right to change this agreement at any time by notice mailed to you at the last address shown for the account on the Financial Institution's records, by posting notice in branches of the Financial Institution, or as otherwise permitted by law.

TERMINATION

The Financial Institution has the right to terminate this agreement at any time. You may terminate this agreement by written notice to the Financial Institution. The Financial Institution is not responsible for any fixed payment made before the Financial Institution has a reasonable opportunity to act on your termination notice. You remain obligated for any payments made by the Financial Institution on your behalf.

TRANSACTION AUTHORIZATION AND PAYMENT REMITTANCE

By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

The Service will use its best efforts to make all your payments properly. However, the Service shall incur no liability if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Service, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

PAYMENT METHODS

The Service reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic check payment, or a laser draft payment. (funds remitted to the Biller are deducted from your Payment Account when the laser draft is presented to your financial institution for payment).

TRANSACTION CANCELLATION REQUESTS

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted. See fee schedule for stop payment fee.

STOP PAYMENT REQUESTS

The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Customer Service. Although the Service will make every effort to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.

PROHIBITED TRANSACTIONS

Payments to Billers outside of the United States or its territories are prohibited through the Service. In addition, payments that violate any law, statute, ordinance or regulation, and any payments related to illegal gambling, illegal gaming and/or any other illegal activity, are prohibited through the Service.

EXCEPTION PAYMENTS

"Exception Payments" means payments to deposit accounts or brokerage accounts, payments to settle securities transactions (including without limitation stocks, bonds, securities, futures (forex), options, or an investment interest in any entity or property), tax payments and court ordered payments. In no event shall the Service be liable for any claims or damages resulting from your scheduling of Exception Payments.
